Aluminium Bi-Folding Doors

## Styled to transform

Visofold sliding bi-fold doors will transform your home; relax in stylish open plan living areas or enjoy a stunning panoramic view from your bedroom.

### Open up your home

You will feel like you're living the outside inside by opening entire facades in your home and making the most out of a beautiful garden. These beautifully designed, versatile doors create a contemporary look for your home, whether it's a living room, bedroom, kitchen or conservatory.

### The choice is yours

The modern aesthetics of a Visofold sliding bi-folding door will add a touch of finesse to any external aspect of your home. When closed, Visofold complements your home with a striking glass facade and aesthetic characteristics.

### Strong, durable, secure & stylish

*Visofold bi-folding doors come with all the assurances you would expect from a quality designed product. The aluminium profiles are designed to give strength and durability, ensuring a structurally sound product that requires minimal maintenance and delivers reliable performance over a lifetime of use.*

# Highly resistant

to corrosion and featuring a durable scratch resistant finish.

With an aluminium profile that is designed to be strong and durable, you can be sure the Visofold bi-folding door will deliver a reliable performance as well as being pleasing to the eye.

Polyamide thermal barrier technology helps keep your home warm in the winter, **reducing energy bills and subsequently your carbon footprint.**

This advanced profile technology creates a thermal transmittance barrier between the cold air outside and the warm air inside (or vice versa), keeping your home comfortable throughout the year, whatever the weather.

To protect your home against unwanted visitors, high security multi-point locking mechanisms are fitted on opening sashes, with shoot-bolt locking and internally glazed sealed units for added assurance.

**Enjoy stunning panoramic views**

Secure, warm & cosy

# Threshold Options

The Visofold bi-folding door offers a range of different thresholds to suit every need. The low thresholds are designed for wheel chair access or doors in sheltered locations.

Rebated thresholds come in either our standard range or the integrated cill variety. The integrated cill threshold is for open out doors only but allows for a lower step over height compared to our standard range when coupled with a projection cill.
